

Technique of the Month 2025: Jungle Magnolia

- I can pre-order a Quiltworx kit (see below for details). However, I need a minimum of 2 order per kit. So, if you are the only one to order a particular colour way, I may be able to match it in batiks pretty closely. And, you get a spare pack of fabric if you order it from me (you do not get this from Quiltworx). If you make a big mistake, I am unlikely to have fabric from a Quiltworx kit. **Orders must be placed by 30th June for Quiltworx kits.**
 - I can design a custom colour way for you. You will get extra fabric for mistakes, or to keep if you don't need it.
 - Please note, that as Certified Instructors, we are NOT ALLOWED to sell a kit to anyone who is not doing a class with us. Those are the rules!
 - CAD \$100 non-returnable deposit on pre-orders.
 - Kits include pattern and binding, all fabrics, papers, and laser cut applique sheets.
 - All prices are in Canadian dollars and attract GST at 5% and PST at 7% (unless being shipped to a province with different taxes). Kits sent to the US may attract duties, payable by the purchaser.
 - Wall quilts are 80" x 80" (pattern cost \$225), Queen size is 99" x 99" (pattern cost \$275). **I have kept the pattern costs the same as for Carnival Flower from 2 years ago.**
 - **CUSTOM colour way: Wall \$675, Queen \$895 (INCLUDES fabric with spare fabric pack, binding, pattern, laser cut applique READY BONDED to your choice of fabric for raw edge applique, if you want). Kits will be pre-cut into strips, labelled, and organized into separate bags by Group, with the appropriate papers. Custom kit prices also held to 2022 prices.**
- **Flexible payment plans, as always.**
